

Your **kitten** supply checklist

Essential kittyBAE stuff

- Recommended vaccinations on a vet-approved schedule** Help protect your kitty against disease.
- Vet-recommended parasite control** Help your kitty avoid worms, fleas, and other parasites.
- A collar and ID tags** Tip: You should be able to slip a finger under your kitty's collar.
- Kitten food (and maybe treats!)** Kittens need special kitten food. Keep treats down to a few a day, please.
- Kitty litter and litter box** Pick a box big enough for your kitty to turn around without hitting the sides, and start with unscented, non-clumping litter.
- Kitty bed** Pick a soft bed to fit your kitty — don't keep it next to the litter box, please.
- A crate or soft-sided carrier** Be sure you have a safe way to travel or take your kitty to the vet.
- Kitten-safe toys** Kittens love playtime!
- Tooth-cleaning supplies** Help your cat avoid dental disease, starting when they're wee.
- Scratching post or board** Cats need to scratch to help stretch and tone their muscles.
- Cat trees for climbing** Give your kitten a safe space to hang out and watch the action.

More supplies for your kitten

- Pet gates** to keep pets separate until they're ready to make friends.
- Pet-safe cleaning supplies** to clean up accidents.
- Grooming supplies** like cat brushes and nail trimmers.
